RFP No. 1745

General Engineering and Surveying, Hydrogeological Services, and Safety Engineering/Consulting

1. PURPOSE

The Augusta County Service Authority (AUTHORITY) desires to procure **General Engineering and Surveying (Category 1), Hydrogeological (Category 2), Safety Engineering/Consulting (Category 3A), and Safety Training (Category 3B)** services through Competitive Negotiation for Professional Services and competitive sealed bidding for Nonprofessional Services (as defined in § 2.2-4301 - Definitions and, § 2.2-4303 - Methods of procurement, the Virginia Public Procurement Act) from qualified firms (PROPOSER) to assist the AUTHORITY in the development of engineering reports, plans, and specifications for various water and sewer facility improvements in Augusta County as described in Section 3.1 below, provide support in the planning, identification, development, and protection of groundwater or surface water sources to supplement existing water sources supplying its potable water systems as described in Section 3.2 below and provide Safety Engineering and Consulting Services as described in Section 3.3 below.

2. BACKGROUND

The AUTHORITY owns and operates a number of water supply facilities, wastewater treatment facilities and transmission/collection mains providing water and wastewater service to various service areas within the geographic limits of Augusta County. The AUTHORITY is responsible for the ongoing operation, maintenance, replacement, and expansion of facilities for these needs. These tasks require specific planning, study, and engineering. These activities also require safety in design and also during daily work activities.

3. SCOPE OF SERVICES

The Service Authority may hire up to three (3) independent firms in each category to support the Scope of Services. The division of tasks between the selected firms will be at the discretion of the Service Authority based on the scope of the proposed task. This procurement is intended to develop non-specific, task order driven contracts, for each category. Each negotiated task order will have a specific scope of work and associated cost of services developed in accordance with contracts awarded for work in each category below. Tasks will be assigned as necessary, which may include but not be limited to the following in each category:

3.1. **Water and Wastewater General Engineering and Surveying Services – Category 1 —**

(Professional as defined by § 2.2-4301)

- 3.1.1. The scope of tasks envisioned for this contract will be for the development of engineering reports, plans, and specifications for various water and sewer facility improvements in Augusta County, Virginia.

- 3.1.2. Examples of possible projects may include water distribution system analysis, sewer collection system analysis, water and wastewater treatment, water supply planning, design and construction standards support and various water distribution and sewer collection improvement projects.
- 3.1.3. Surveying tasks may be independent boundary or plat work or may be integral to an engineering task.
- 3.1.4. Structural, geotechnical, environmental, and mechanical engineering and architectural services may be needed at times for task completion.
- 3.1.5. All work shall be done in AutoCAD/Civil 3D format.

3.2. Water Resource Development Services (Hydrogeological)– Category 2 *(Nonprofessional as defined by § 2.2-4301)*

- 3.2.1. Source development tasks ranging from site evaluations up to and including delivery of a producing municipal well inclusive of construction and all regulatory approvals. Tasks may also include the determination of sites for potential future source development with consideration of the water quantity and quality and the need for treatment to meet drinking water standards. Economic feasibility of source development must be a primary consideration in the development of all recommendations.
- 3.2.2. Rehabilitation and repair of existing groundwater sources, including efforts to improve or recover capacity as well as the investigation of existing and possible future sources of contamination.
- 3.2.3. Source water protection tasks related to both existing and future water supplies, including the determination of recharge areas and the identification of vulnerable recharge areas requiring inclusion in source water protection zones.

3.3. Safety Engineering/Consulting– Category 3A — *(Professional as defined by § 2.2-4301)*

- 3.3.1. Tasks may include the design of safety systems in all safety areas including fall protection, confined space and ventilation, traffic control plans, etc.
- 3.3.2. Provide consulting services that include safety audits/assessments, inspections (which may include structural/equipment inspections), and policy/procedure development.

3.4. Safety Training/Consulting – Category 3B - *(Nonprofessional as defined by § 2.2-4301)*

- 3.4.1. Tasks will include providing training for safety related functions in accordance with applicable standards, such as VOSH/OSHA/ANSI. Trainers must have the experience/certifications to be able to provide competent person, authorized worker, etc. training as required by the applicable standards.
- 3.4.2. Provide consulting services that include safety audits/assessments, inspections (which may include structural/equipment inspections), and policy/procedure development.

4. TERM:

The term of any contract derived from this solicitation shall be for one year from the execution date of such contract. The AUTHORITY reserves the right to extend any contracts for additional terms of one year, up to a maximum of four extensions.

5. COSTS OF PROPOSAL PREPARATION:

Any costs incurred by the PROPOSER in preparing or submitting proposals are the PROPOSER’S responsibility. The AUTHORITY will not reimburse any PROPOSER for any costs incurred as a result of a response to this Request for Proposal.

6. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS:

6.1. RFP SUBMITTAL: Proposals must be submitted no later than 2:00 P.M., Thursday, January 12, 2017. Envelopes will be clearly marked as follows:

<u>RFP No. 1745</u>		
General Engineering and Surveying, Hydrogeological Services, and Safety Engineering/Consulting		
From: _____ Name of Bidding Firm	January 12, 2017 Submittal Date	2:00 PM Time Due
_____ Street or Box Number		
_____ City, State, Zip Code		
ATTN: <u>Casey L. McCracken, Purchasing Officer</u>		

6.2. RFP RESPONSE: In order to be considered for selection, PROPOSER must submit a complete response to this RFP for the categories for which consideration is requested. Six (6) copies of each proposal, one (1) marked original, must be submitted with the categories for which the response is being submitted clearly noted on the cover page.

6.3. PROPOSAL PREPARATION: The AUTHORITY intends that responses to this Request for Proposal be concise, informative, and inexpensive for the PROPOSER to prepare. Responses must be in the following format and contain the information requested:

6.3.1. Introduction: In this introduction section the PROPOSER is expected to introduce his firm to the AUTHORITY. This section should contain a brief history of the firm, its location, locations of any satellite offices, a broad statement of qualifications including experience of firm in the categories for with the proposal is being submitted and any other information deemed desirable by the PROPOSER.

6.3.2. Performance Personnel: This section must provide a listing of a team of professional personnel that will be available to work on the project. This section must contain a detailed resume on each person that will be assigned to the project providing details of individual experience.

- 6.3.3. Project Team Organization:** This section must define organization among the individuals stipulated as available in the preceding section. It is anticipated that this section will highlight areas of individual and combined team specialized experience and will give the AUTHORITY selection committee an insight into the unique qualifications of the project team proposed by each PROPOSER so that these qualifications can be best matched to the needs of the AUTHORITY.
- 6.3.4. Experience of firm relevant to the scope:** This section must provide an explanation of the approach and/or methodology to be used in achieving assigned tasks, and the firm's ability to provide the necessary resources to meet all project deadlines.
- 6.3.5. References:** This section must provide references from municipal/utility clients or utility contractors for which similar work has been performed.

7. EVALUATION AND AWARD:

Following the receipt of these proposals, a committee of AUTHORITY Employees and/or AUTHORITY Board Members will review the proposals received and rate the proposals based on the qualifications and directly applicable experience of the firm and individuals making up the project team. Particular attention will be paid by the AUTHORITY in the selection process on similar projects and instances where individual team members have worked together. The following will also be closely evaluated with points assigned as follows:

- 7.1.** Experience of firm relevant to the scope. (Possible 25 Points.)
- 7.2.** General approach to the scope of work. (Possible 15 Points.)
- 7.3.** Qualifications of key personnel to be assigned to the project. (Possible 30 Points.)
- 7.4.** Firm's current workload and supporting information related to the ability of the firm to provide the necessary resources to meet all project deadlines. (Possible 15 Points.)
- 7.5.** References from municipal clients for which similar work has been performed. Relevant information will be solicited regarding design services and overall capabilities of the engineering firm. (Possible 15 Points.)
- 7.6.** The AUTHORITY reserves the right to potentially select multiple firms to support the scope of work in each category. Interviews/award will include the following:
- 7.6.1.** Category 1: Interviews will be conducted with up to four of the top ranked firms in Category 1. Once these interviews have been conducted, the interviewed firms will be ranked based on proposal content and the interview. Then the AUTHORITY will attempt to negotiate a contract with the firm ranked number 1. If a contract cannot be negotiated with the number 1 ranked firm, negotiations will be concluded with that firm and initiated with the next lower ranked firm. This procedure will be followed until up to 3 contracts are negotiated.

- 7.6.2. Category 2: The AUTHORITY may award based on proposals and follow-up information from the PROPOSERS or their references without the requirement for interviews. However, if interviews will be conducted, they will be with the three top-ranked firms for Category 2. Once these interviews have been conducted, the interviewed firms will be ranked based on proposal content and the interview. Then the AUTHORITY will attempt to negotiate a contract with the firm ranked number 1. If a contract cannot be negotiated with the number 1 ranked firm, negotiations will be concluded with that firm and initiated with the next lower ranked firm. This procedure will be followed until up to 3 contracts are negotiated.
- 7.6.3. Category 3A & 3B: Interviews will be conducted with up to four of the top ranked firms in Categories 3A & 3B. Once these interviews have been conducted, the interviewed firms will be ranked based on proposal content and the interview. Then the AUTHORITY will attempt to negotiate a contract with the firm ranked number 1. If a contract cannot be negotiated with the number 1 ranked firm, negotiations will be concluded with that firm and initiated with the next lower ranked firm. This procedure will be followed until up to 3 contracts are negotiated in each category.
- 7.7. In the event that a single firm is uniquely qualified, or clearly more highly qualified than other firms offering proposals for this service, the AUTHORITY may so state this fact, give a reasonable explanation for this decision and enter into negotiations with the uniquely qualified firm.
- 7.8. The AUTHORITY reserves the right to reject any and all proposals and to waive any informality or technical defects if, in its judgment, the best interests of the AUTHORITY will be served as specified in Section § 2.2-4319 of the Virginia Public Procurement Act.
- 7.9. The AUTHORITY will provide public notice announcing its decision to award by posting the Notice of Intent to Award on the Augusta County Service Authority website, the Virginia Electronic Business Opportunities website and by mailing the notice to all PROPOSERS submitting a proposal.
- 7.10. The AUTHORITY reserves the right to offer the successful firms additional phases including design and construction services contracts that may be required or determined as a result of the studies. This option will be at the sole discretion of the AUTHORITY.

8. PRE-PROPOSAL CONFERENCE:

At this time, a pre-proposal conference by the AUTHORITY is *not required* in order for a proposal to be accepted for review. Should any potential PROPOSER have questions, they may contact **William Monroe, P.E., at (540) 245-5678 or wmonroe@co.augusta.va.us** for clarifications relative to this proposal. In the event specific information not contained in this request for proposals, which substantially impacts the scope, is provided to any PROPOSER, the same specific information will be provided to any other PROPOSERS who have indicated interest in the contract by so stating their intent with the AUTHORITY.

9. GENERAL TERMS AND CONDITIONS:

- 9.1. PRECEDENCE OF TERMS:** In the event there is a conflict between the general terms and conditions and any special terms and conditions which may be included in this solicitation for use in a particular procurement, the special terms and conditions shall apply.
- 9.2. CLARIFICATION OF TERMS:** If any prospective PROPOSER has questions about the specifications or other solicitation documents, the prospective PROPOSER should contact **William Monroe, P.E., at (540) 245-5678** or wmonroe@co.augusta.va.us for clarifications relative to this proposal no later than seven (7) business days before the opening date. Any revisions to the solicitation will be made only by addendum issued by the AUTHORITY.
- 9.3. QUALIFICATIONS OF PROPOSERS:** The AUTHORITY may make such reasonable investigations as deemed proper and necessary to determine the ability of the PROPOSER to perform the work and the PROPOSER shall furnish to the AUTHORITY all such information and data for this purpose as may be requested. The AUTHORITY reserves the right to inspect PROPOSERS physical facilities prior to award to satisfy questions regarding the PROPOSERS capabilities. The AUTHORITY further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such PROPOSER fails to satisfy the AUTHORITY that such PROPOSER is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein. Minimum qualifications shall include:

Category 1: PROPOSERS shall possess required engineering licenses/certifications or employ properly licensed/certified staff required in the Commonwealth of Virginia to provide services for the possible scope. Survey work must be prepared under the direction of a surveyor licensed in the Commonwealth of Virginia.

Category 2: PROPOSERS shall, at a minimum, possess a professional geologist license issued by the Commonwealth of Virginia.

Category 3A: For safety engineering work, PROPOSERS shall, possess required engineering licenses/certifications or employ properly licensed/certified staff required in the Commonwealth of Virginia. Associated general consulting staff shall be certified or properly trained for the specific task requirements.

Category 3B: For, general safety consulting and training, PROPOSERS shall provide a Certified Safety Professional or similarly qualified personnel.

- 9.4. ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the PROPOSER in whole or in part without the written consent of the AUTHORITY.
- 9.5. ETHICS IN PUBLIC CONTRACTING:** By submitting their proposals, all PROPOSERS certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other PROPOSER, supplier, manufacturer or subcontractor in connection with their proposal as set forth in section § 2.2-4367 and § 2.2-4377 of the Virginia Public Procurement Act.

9.6. PUBLIC INSPECTION OF PROCUREMENT RECORDS: Proposals submitted shall be subject to public inspection only in accordance with section § 2.2-4342 of the Virginia Public Procurement Act.

9.7. ANTI-DISCRIMINATION: By submitting their proposals, all PROPOSERS certify to the AUTHORITY that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, where applicable, and Section § 2.2-4311 of the Virginia Public Procurement Act and that during the performance of this contract, the PROPOSER agrees as follows:

9.7.1. The PROPOSER will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by the state law relating to discrimination in employment, except when there is bona fide occupational qualification reasonably necessary to the normal operation of the PROPOSER. The PROPOSER agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

9.7.2. Notices, advertisements and solicitations placed by or on behalf of the PROPOSER will state that such contractor is an equal opportunity employer. Notices, advertisements and solicitations placed in accordance with Federal Law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

9.7.3. The PROPOSER will include the provisions of the foregoing paragraphs in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

9.8. NONDISCRIMINATION AGAINST FAITH-BASED ORGANIZATION

9.8.1. In accordance with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, the AUTHORITY will not discriminate against faith-based organizations. The PROPOSER also agrees to abide by § 2.2-4343.1 of the Virginia Public Procurement Act.

9.9. MINORITY AND WOMEN-OWNED BUSINESSES:

9.9.1. The AUTHORITY actively solicits both minority and women-owned businesses to respond to all Invitations for Bids and Requests for Proposals, and if not already on the AUTHORITY's mailing list, you may request application for inclusion on the list. Should you be interested, please contact the AUTHORITY at (540) 245-5670 and request application.

9.9.2. Disadvantaged Business Enterprises (DBE), as defined in 49 CFR 23, shall have equal opportunity to compete for and perform subcontracts which the contractor enters into pursuant to this contract. The contractor will use his best efforts to solicit bids from and to utilize DBE subcontractors or subcontractors with meaningful minority group and female representation among their employees.

9.10. DRUG-FREE WORKPLACE: In accordance with § 2.2-4312 of the Virginia Public Procurement Act, during the performance of this contract, the PROPOSER agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violation of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

9.11. CONTRACTOR'S ENVIRONMENTAL REQUIREMENTS: The AUTHORITY participates in an Environmental Management System program. As such, Contractors are required to be familiar with the Contractor's Environmental Requirements and are required to sign the attached statement and submit it with the formal bid documents.

9.12. COOPERATIVE PROCUREMENT

9.12.1. This procurement is being conducted on behalf of the AUTHORITY in accordance with the provisions of §2.2-4304 of the Virginia Public Procurement Act.

9.12.2. For the non-professional services, if approved by the PROPOSER, the contract resulting from this procurement may be used by other public bodies to purchase at contract prices and in accordance with the contract terms. The PROPOSER shall deal directly with any public body it approves to use the contract. Failure to extend a contract to another public body will have no effect on consideration of PROPOSER'S bid/proposal.

9.12.3. With the approval of the PROPOSER, any public body using the resultant contract has the option of executing a separate contract with the PROPOSER to add terms and conditions required by statute, ordinances, or regulations, or to remove terms and conditions which conflict with its governing statutes, ordinances, or regulations.

9.12.4. The AUTHORITY, its officials and staff are not responsible for placement of orders, invoicing, payments, contractual disputes, or any other transactions between the PROPOSER and any other public bodies, and in no event shall the AUTHORITY, its officials or staff be responsible for any costs, damages or injury resulting to any party from use of an AUTHORITY contract. If, when preparing such a contract, the additional terms and conditions of a public body seeking to purchase pursuant to cooperative procurement are unacceptable to the PROPOSER, the PROPOSER may withdraw its consent to extension of the contract to that particular public body.

9.12.5. The AUTHORITY assumes no responsibility for any notification of the availability of the contract for use by other public bodies, but the PROPOSER may carry out such notification.

10. SPECIAL CONDITIONS:

- 10.1. OWNERSHIP OF MATERIAL:** Ownership of all data, material and documentation originated and prepared for the AUTHORITY pursuant to the RFP shall belong exclusively to the AUTHORITY and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by a PROPOSER shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the PROPOSER must invoke the protection of this section prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.
- 10.2. CANCELLATION OF CONTRACT:** The AUTHORITY reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor.
- 10.3. INSURANCE COVERAGE:** The PROPOSER shall, prior to beginning the services specified in this Agreement, file with the AUTHORITY certificates of insurance evidencing insurance coverages of the type and amounts stated below. Coverage shall be through insurance companies authorized to do business under the laws of the Commonwealth of Virginia. PROPOSER shall give the AUTHORITY thirty (30) days prior written notice of any non-renewal or cancellation of coverage. All Subconsultants and subcontractors shall be required to include the AUTHORITY as additional insured on their General Liability insurance policies.
